Rowan - Summer Term 2026

Welcome back, everyone! We hope you had a lovely Easter break and are feeling refreshed and ready for the summer term. We are excited for all the learning and fun ahead, with new topics, projects, and activities to enjoy. Let's make this term full of curiosity, creativity, and great memories together!

This term, our class novel is Escape to the River Sea by Emma Carroll. We will follow Maia's exciting adventure as she travels to the Amazon, discovering new places, meeting interesting characters, and facing challenges along the way.

Learning Journey

This term our learning journey is titled, "Journey to the Rainforest." We will explore the amazing world of the rainforest, discovering the plants, animals, and people that live there. We will make geography links by locating rainforests around the world, learning about climate and the layers of the forest, and understanding how humans and animals adapt to their environment. Along the way, we will uncover why rainforests are so important and think about how we can help protect them.

In Science, we will explore how plants grow and reproduce as part of the life cycle of a flowering plant. Children will investigate the structure and function of plant parts, gather data on growth, and learn how plants produce seeds to continue their life cycle. We will also make links to rainforest plants, comparing how they grow in their unique environments.

PE

PE days this term will be swimming on a Wednesday and athletics on a Thursday. Please ensure that your child brings the correct PE kit on these days.
There will also be Forest School sessions during the second half of the term. Further information will be shared closer to the time.

Reading

Reading is one of the most important skills your child can develop. Not only does it improve vocabulary and comprehension, but it also sparks imagination, curiosity, and a love of learning.

Spelling

We will return to learning new spellings each week. These will be uploaded through Seesaw every Thursday, and there will be a spelling check-up every Friday morning to gauge progress.

We are delighted to welcome you back after the Easter break!

If you have any questions or concerns during the term, please feel free to get in touch with us.
