# NURSERY - SUMMER 2026

## Welcome to Sycamore Class!

A big welcome back to all our children and families from Team Sycamore. We hope you had a lovely Easter break. We would like to welcome all our new families who have joined us recently.

## Learning Journey

This term, our Learning Journey is titled 'Glowing and exploring together', and we will link it across all areas of our EYFS curriculum through exploration and play.

As the term progresses, we'll be focusing on growing things in our nursery garden and observing changes in plants and how they develop and change over the spring and summer period.

We are also looking forward to learning about the ocean and which animals use the ocean as their habitats.

We will also be learning about life cycles of animals and taking a visit to the local Butterfly Zoo!

### PE

PE in Nursery will take place on Tuesday mornings. Please ensure that all pre-school children come in with their PE kits on this day. We encourage the children to dress themselves independently, helping them get ready for school with confidence.

### Nursery Events

Updates will be sent out via SeeSaw regarding nursery events taking place over the Spring term. We also use SeeSaw to post photos of the children, as well as using it as a communication platform. Please ask a member of staff if you have any questions.

### Lunchboxes/lunches

Please can we remind parents that we like our children at nursery to have healthy lunchboxes (one treat only please).
If you are ordering hot dinners from school caterers, please could they be ordered by Thursday for the following week.

### Forest School

We will visit Forest School on Thursday morning. please can you ensure your child is wearing suitable clothing when they come into nursery on those days.

### Whitchurch Care Home

Nursery children have been having a lovely experience visiting Whitchurch Care Home and have made lots of new friends. This term, our pre-school children will continue their visits, creating more special memories together.
